Re: StonCor Group, Inc. v. Les Pierres Stonedge, Inc.
Petition for Suspension of the Rules under 37 CFR 2.146
Opposition Number: 91181621
Our Reference: 76119.42101

Dear Ms. Faint:

This is to correct a letter filed in this case earlier today.

Les Pierres' counsel has today, in an exchange of e-mails, stated that he would not contest StonCor's 12 February motion. In my earlier letter I had characterized his position as that he "consented" to StonCor's 12 February motion. I apologize for the mis-characterization of his position.

StonCor, as the opposer in this action and as the movant on the 12 February motion, hereby petitions for a suspension of the rules under 37 CFR 2.146, suspending the provision of 37 CFR 2.128(a)(1) stating that the reply brief shall be due not later than fifteen days after the due date for the defendant's brief. This petition for suspension of the rules is sought in order to permit appropriate grant of StonCor's motion of 12 February, which sought three additional working days for StonCor to file its reply brief in light of StonCor's counsel's office closures and inability to reach the office due to the well-publicized inclement weather and record snowfalls on Saturday, February 6 and on Wednesday, February 10 in the Middle Atlantic states.

StonCor respectfully solicits, again, grant of StonCor's motion of 12 February 2010 and, to the extent required, suspension of the rules pursuant to this letter and petition request.
